

FOOD WALLET

HELPS YOU CONNECT LOCALLY AND CONTRIBUTE TO FOOD SECURITY

Food is becoming more and more expensive...

Many foods contain invisible, toxic pesticides and chemicals.

And local?

Most products have traveled around the world before they land on our plates.

Time to do things differently!

Take matters into your own hands and choose a healthier, more sustainable future. For yourself, your family and for a world in line with nature. 🌱

Every step – big or small – brings you closer to a fairer food chain. Pure food, grown with love, is more attainable than you think.

Join today!

Take care of your own food
– become healthy and independent!

BUILDING A LOCAL FOOD SYSTEM TOGETHER

With this app you can:

- ✓ Share or exchange food, seeds & compost in your neighborhood
- ✓ Connect with like-minded people & build a strong network
- ✓ Easily find local, organic food
- ✓ Exchange knowledge & grow together
- ✓ Find available land for new projects, or share your own.
- ✓ Look for or offer helping hands.

INSTANTLY ACCESSIBLE WITHOUT AN APP STORE!

Food Wallet is a web app
– you won't find it in the app store.

Use it in your internet browser. Want faster access? Install a shortcut on your mobile or tablet!

This is how you start:

1. Open the link you receive via email
2. Log in with your email address
3. Enter the login code and start right away!

 **Share your food, discover ecological initiatives and find what you need!**
